

ANDRES TORRES SANDOVAL

FRONTEND DEVELOPER | REACT, TYPESCRIPT & AEM

andres.torressandoval@hotmail.com | Bogota D.C., Colombia | <https://andrests.com/>

PROFESSIONAL PROFILE

Frontend Developer with a background in business management, focused on building accessible, responsive, and high-performing digital products. I combine clean technical execution with product thinking to turn complex requirements into scalable, maintainable experiences that create value for users and organizations.

CORE SKILLS

Frontend: JavaScript, TypeScript, React, Next.js, HTML5, CSS3, Redux
Styling & UX: Tailwind CSS, Styled Components, Bootstrap, Material UI, responsive design, accessibility
Platforms & Tools: Adobe Experience Manager (AEM), Git, Jira, Figma, WordPress, Firebase, SQL

PROFESSIONAL EXPERIENCE

Experience Technology Engineer (Frontend Developer) Jul 2025 - Present
Publicis Global Delivery

- Create modern, accessible, and responsive interfaces with React, TypeScript, Tailwind CSS, and Styled Components.
- Build reusable components, optimize frontend performance, and maintain fluid, intuitive AEM authoring workflows.

Junior Experience Technology Engineer (Frontend Developer) Nov 2023 - Jun 2025
Publicis Global Delivery

- Partnered with Technology Managers and QA to validate releases and built responsive pages with Adobe Experience Manager components.
- Developed operational web and tablet applications with React and JavaScript, helping users access critical product information while supporting stability and presentation quality.

Frontend Developer May 2023 - Oct 2023
Ambivalent

- Designed and developed Ambivalent's initial website and digital products, combining creative direction with responsive, user-focused frontend execution.
- Helped lead product creation and launch decisions, coordinated UX and communication flows, and strengthened the brand with clients and across social media.

Corporate Website Developer Oct 2021 - Feb 2023
Aruna Asesores SAS

- Led the digital brand refresh across the website and social media, coordinating cross-functional delivery of a corporate site aligned with business needs.
- Established the website as a client communication channel and managed content, maintenance, reliable operation, and security.

Head of Administrative Division and Quality Jun 2020 - Feb 2023
Aruna Asesores SAS

- Brought receivables and payables up to date by reconciling debtor balances and supplier payments, reducing financial exposure and improving cash-flow visibility.
- Directed ArunaMex administrative operations while managing international client relationships, operational KPIs, and INVIMA regulatory procedures.
- Standardized administrative workflows and led ISO 9001 implementation, strengthening control, compliance, and business continuity.
