

ANDRES TORRES SANDOVAL

FRONTEND DEVELOPER | REACT, TYPESCRIPT & AEM

andres.torressandoval@hotmail.com | Bogota D.C., Colombia | <https://andrests.com/>

PROFESSIONAL PROFILE

Frontend Developer with a background in business management, focused on building accessible, responsive, and high-performing digital products. I combine clean technical execution with product thinking to turn complex requirements into scalable, maintainable experiences that create value for users and organizations.

CORE SKILLS

Frontend: JavaScript, TypeScript, React, Next.js, HTML5, CSS3, Redux
Styling & UX: Tailwind CSS, Styled Components, Bootstrap, Material UI, responsive design, accessibility
Platforms & Tools: Adobe Experience Manager (AEM), Git, Jira, Figma, WordPress, Firebase, SQL

PROFESSIONAL EXPERIENCE

Experience Technology Engineer (Frontend Developer) Jul 2025 - Present
Publicis Global Delivery

- Promoted ahead of the standard company timeline after consistently exceeding performance expectations and demonstrating rapid technical growth.
- Enhance complex Adobe Experience Manager solutions, including AEM Forms and Experience Fragments, and manage digital assets through eDAM.
- Develop and continuously improve responsive production websites with React and Styled Components, ensuring reliable functionality, visual consistency, and release quality.

Junior Experience Technology Engineer (Frontend Developer) Nov 2023 - Jun 2025
Publicis Global Delivery

- Partnered with Technology Managers and QA to validate releases and build responsive pages with Adobe Experience Manager components.
- Contributed to operational web and tablet applications using React and JavaScript, enabling access to critical product information while maintaining stability and presentation quality.

Frontend Developer May 2023 - Oct 2023
Ambivalent

- Designed and developed Ambivalent's initial website and multiple product-oriented web applications, combining creative direction with responsive frontend execution.
- Contributed to product creation and launch decisions across leadership, creative, and technical teams while coordinating UX flows and strengthening brand visibility.

Corporate Website Developer Oct 2021 - Feb 2023
Aruna Asesores SAS

- Led the digital brand refresh across the website and social media, coordinating cross-functional delivery of a corporate site aligned with business needs.
- Established the website as a client communication channel and managed content, maintenance, reliable operation, and security.

Head of Administrative Division and Quality Jun 2020 - Feb 2023
Aruna Asesores SAS

- Brought receivables and payables up to date by reconciling debtor balances and supplier payments, reducing financial exposure and improving cash-flow visibility.
- Directed ArunaMex administrative operations while managing international client relationships, operational KPIs, and INVIMA regulatory procedures.
- Standardized administrative workflows and led ISO 9001 implementation, strengthening control, compliance, and business continuity.
